

# DuPont™ Acid-A-Foam™ XL

## SUPERIOR HEAVY DUTY HIGH FOAMING CLEANER AND DESCALER

DuPont™ Acid-A-Foam™ XL is an acidic foaming cleaning compound specifically designed to remove mineral scale, detergent residues and other elements left after repeated use of alkaline cleaners.

### Overview

DuPont™ Acid-A-Foam™ XL is recommended for use in hatcheries, poultry, turkey, swine, cattle and other animal confinement facilities, as well as food processing facilities. This product is ideal for use in an alternating pH program to remove detergent residues, mineral scale, dirt, grime, protein, and oils as well as minerals and adherent films.

#### DuPont™ Acid-A-Foam™ XL:

- Is easily applied and rinsed.
- Has excellent end-use compatibility with DuPont disinfectants.
- Is formulated with biodegradable detergents.
- Is phosphate free.
- Cleans and brightens stainless steel, glass, plastic, concrete and tile.

### Components

	CAS No.
Water	7732-18-5
Glycolic Acid	79-14-1
Sulfamic Acid	5329-14-6
Phosphoric Acid	7664-38-2
Surfactants	---

### Mode of Action

The acid combination package in DuPont™ Acid-A-Foam™ XL chelates metal salts, forming water soluble complexes that are easily removed.

### Directions for Use

For complete instructions on product use, handling and safety, always read and understand the product label and MSDS before use. The information set forth herein is furnished free of charge and was prepared as a possible aid to use when considering the product. Anyone intending to use recommendations or information contained in this handout should first be satisfied that the information is suitable for their application and meets all safety and health standards appropriate for their intended use.

### Physical Properties

State	Liquid
Color	Yellow
Odor	Slightly musty
pH, 25°C	0.5 - 1.5
Density	8.26 - 9.26 lbs./gal
Flash point	None
Boiling point	205°F
Freezing point	32°F
% Volatiles	71 - 74%
Solubility in water	100%

### Dilution Rates

Low or high pressure spraying	0.25-3 oz/gal
Foam cleaning	1-3 oz/gal
	1-5 oz/gal
Waterlines	1 oz/gal

## Safety and Precautionary Statements

**DANGER:** Concentrate causes eye and skin burns. May cause nose and throat irritation. May be harmful if absorbed through skin or swallowed. Do not get in eyes, on skin or clothing. Avoid breathing vapor or spray mist. Wear safety glasses. Where splash potential exists, wear chemical splash goggles. Where there is potential for skin contact have available and wear as appropriate impervious gloves, apron, pants and jacket. Wear NIOSH approved respiratory protection, as appropriate. Do not take internally. Use and store only with adequate ventilation. Wash thoroughly after handling.
