OB LUBE POWDER CONCENTRATE

VetOne

Keep out of reach of children.

For veterinary use only.

DESCRIPTION: An economical lubricant that exhibits outstanding lubricating qualities in a concentrated powder formula and serves as an aid in any obstetrical activity

CONTAINS: Polyethylene polymer, dispersing agent.

DIRECTIONS FOR USE: Apply to hands and add water as needed to achieve desired consistency. OB Lube may be stirred into water to make a liquid lubricant for obstetrical use. Remove by rinsing with water. A small amount of table salt added to the hands will aid in the removal of the lubricant.
