VisiFoam is a hi-vis degreaser formulated to reduce power washing time and effectively prepare surfaces for a superior disinfection. Greater foam adhesion and powerful detergents break down persistent fats, oils and biofilms. High contrast yellow foam ensures the targeted surface is fully coated.

## DIRECTIONS FOR USE

Using proper PPE, apply VisiFoam with a foam device at a rate of **2.5% - 4.5%**. Allow VisiFoam to soak for 15-minutes. Wash facility with high pressure water.

## INSTRUCCIONES DE USO

Utilizando el EPP adecuado, aplique VisiFoam con un accesorio de espuma en una proporción del **2.5% al 4.5%**. Deje que VisiFoam se remoje durante 15 minutos. Instalación de lavado con agua a alta presión.

## APPLICATION TIPS

- Scrape and flush target surface prior to application of VisiFoam
- Dot no allow VisiFoam to dry on surfaces
- Apply VisiFoam using hot or cold water

## Danger

### Hazard Statements

Causes severe skin burns and eye damage. May cause an allergic skin reaction. May cause respiratory irritation.

### Precautionary Statements

Do not breathe mist, vapors, or spray. Wash hands thoroughly after handling. Use only outdoors or in a well-ventilated area. Contaminated work clothing should not be allowed out of the workplace. Wear protective gloves, protective clothing, eye protection, and face protection.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN OR HAIR: Take off immediately all contaminated clothing. Rinse skin with water or shower. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse.

Store in well-ventilated place. Keep container tightly closed. Store locked up.

Dispose of contents and container in accordance with applicable regional, national and local laws and regulations.

28.5% of this product mixtures consists of ingredient(s) of unknown acute toxicity.
