

TRAFFIC C.O.P.

Foot Pan Powder for use in Poultry and Swine Facilities.

DIRECTIONS FOR USE: Add as needed to foot pan. A 1/2" level of powder is desired. Adding more powder will not increase the cleaning or deodorizing efficacy. Remove organic matter as necessary and fully change powder every two weeks to maintain desired clean and odor control benefits.

COMPONENTS

A unique blend of chlorine, deodorizers, silicates, and acid impregnated zeolites designed for foot pans.
